

CROHN'S & COLITIS
FOUNDATION OF AMERICA

About CCFA:

Founded in 1967, the Crohn's & Colitis Foundation of America (CCFA) is the leader in the fight against Crohn's disease and ulcerative colitis. CCFA is the only national, volunteer-driven nonprofit organization dedicated to improving the lives of the 1.4 million Americans who suffer from these inflammatory bowel diseases (IBD).

Our Mission:

To cure and prevent Crohn's disease and ulcerative colitis through research, and to improve the quality of life of children and adults affected by these digestive diseases through education and support.
