

CAMP OASIS

CCFA Camp Oasis is a co-ed residential camp program that's mission is to enrich the lives of children with Crohn's disease and ulcerative colitis by providing a safe and supportive camp community.

At locations throughout the country, children living with IBD can enjoy the Camp Oasis experience – an experience rich with friendly faces and exciting activities, where everyday troubles take a backseat to fun. For more information about Camp Oasis, contact the CCFA office 716.833.2870

ABOUT THE WNY CHAPTER

The Western New York Chapter has been providing support and raising money for Crohn's & colitis research for nearly three decades. Annually, we offer support groups, education events and unique special fundraising events. For more information contact the CCFA office at 716.833.2870 or www.ccfawny.org

CALLING ALL TEENS

Are you or do you know a high school student looking for community service hours? We need Peer Leaders to help organize and staff Kids' Club and other CCFA events. Contact the office for more information.
